ALL BECAUSE THE LADY . . .

Long overdue
We really must try to make the time
When things start to go wrong and patience grows thin
That's the time for looking back
But don't forget the future's in your hands

Talking around
Avoiding those stones held in reserve
On long walks on your own you thought that you knew
Just where you were going
But the mind plays tricks and brings you right back home

Try taking a chance
Rescue - help is on its way
In days from now we'll wonder
How we ever did not see
Those warning signs we'd seen before
And made a note not to ignore - but forgot

Hanging around
Waiting for that telephone to ring
Bad news travels fast but good takes some time
You're angry with your self for ever
Doubting all those things I said to you

Try taking a chance
Rescue - help is on its way
In days from now we'll wonder
How we ever did not see
Those warning signs we'd seen before
And made a note not to ignore - but forgot
